I don't understand why people are mocking him so much, it's not his fault, he's not trying to be anything other than himself. Wearing a shirt and tie is not meant to represent what a person is as a whole. the size of his hands or lack thereof is also not a sign of how big his dick is. how boring. i would like to see his photo without the tie. Florian poddelka photos download 9/10/2013Â Â· Well that was pretty hilarious. His hands were on his hips too. Check it out guys!! I have seen many photos of Florian Poddelka without a tie and I must say the simplicity and elegance of his appearance makes me envious of his personal style. Some people confuse him with Ron Burgundy, and I wonder if that's what the thread was about. Its important to note that he doesn't actually have any type of gay fan base. He's never received any kind of award for his acting, his only

award is the ability to be able to be in a hit tv show. If he was gay, he would have received an award for that. Or he would have been on some gay dating
